Please be advised that I, _____, ("Renter") intend to vacate Space #_____ located at Lighthouse Storage in _____ on the ____ day of _____, 20____. After this date, if my lock is off you may remove and dispose of my Personal Property left in the Space so it can be re-rented. If my lock is on after this date, my notice to vacate is rescinded and I will continue as a Renter owing rent and other charges until I give notice again. I have reviewed the Rental Agreement as it pertains to charges for disposal and cleanup that will be imposed should Lighthouse Storage have to cleanup or dispose of the Personal Property left in the Rented Space at the Facility.
